WHAT’S ROTARY?

Rotary is a global network of more than 1.4 million people of action in more than 46,000 clubs who share a passion for and commitment to enhancing communities and improving lives around the world. Rotary and Rotaract clubs exist in almost every country. Our members change lives locally and connect with other clubs to work on international projects that address today’s most pressing challenges. They take action and make a difference, and it brings them personal rewards and lifelong friendships in the process.

DID YOU KNOW?
The name Rotary was selected by early members because meeting locations rotated among their offices.

HOW WE’RE STRUCTURED?

Rotary is made up of three parts: our clubs, Rotary International, and The Rotary Foundation. Rotary and Rotaract clubs belong to the global association Rotary International (RI). Rotary International supports its clubs worldwide by coordinating global programs and initiatives. The Rotary Foundation helps fund our humanitarian activities, from local service projects to global initiatives.

CLUBS

The club is the most important component of Rotary’s organizational structure. More than 36,000 Rotary clubs and 10,000 Rotaract clubs in more than 200 countries and geographical areas unite people to create lasting change in their communities, around the world, and in themselves. Rotaract clubs are like Rotary clubs but are primarily intended for university students and young professionals. Clubs are autonomous, so the member experience varies from club to club. But they all operate somewhat similarly. For example, all clubs have officers and committees that help them run smoothly. Each Rotary or Rotaract club is considered a member of Rotary International. Strong, well-run clubs enhance our members’ experiences and deliver valuable service to our communities.

DID YOU KNOW?
If you know someone who would enjoy getting involved but can’t attend your club’s meetings, you can refer them to another club through the Member Center.
MEMBERS
There are approximately 1.2 million Rotary club members, or Rotarians, and more than 200,000 Rotaract club members, or Rotaractors, around the world. As a member, you have far greater potential to do good in your community than you did before you joined. You’ll have the opportunity to make a difference in the lives of others by contributing your expertise, skills, and talents as well as the privilege of working with other professionals and community leaders.

MEETINGS
Rotary and Rotaract clubs unite dedicated people to exchange ideas, build relationships, and take action. The frequency and format of club meetings vary. Clubs meet in person, online, or both. Rotary is both apolitical and nonreligious, and clubs are expected to create a welcoming and inclusive environment for all members and guests.

DISTRICTS AND ZONES
Clubs are grouped into approximately 520 districts. Districts are led by governors, who serve an important role in Rotary. Rotary clubs in their districts nominate them because of their leadership skills, Rotary experience, and dedication to service. District governors are trained extensively both in their regions and together through the International Assembly, an annual training event for incoming governors, who are known as district governors-elect in the year before their term as governor. District governors serve for one year, leading a team of assistant governors and district committees in supporting and strengthening clubs and motivating them to carry out service projects. They visit or check in virtually with each Rotary club in the district during the year, oversee the development of new clubs, and plan the district conference and other special events.

Districts are organized into 34 zones of approximately equal numbers of Rotarians for the purposes of nominating directors and electing the committee that nominates the president of Rotary International.

OUR LEADERS
Our leaders at Rotary exemplify all of the qualities that make our members extraordinary: integrity, expertise, and a commitment to service.

The executive staff, led by the general secretary, manages operations, including programs and member services, financial services, information technology, polio and philanthropy, communications,
strategy, and legal services, at our world headquarters in Evanston, USA, and offices in Norwest, Australia; São Paulo, Brazil; New Delhi, India; Seoul, Korea; Tokyo, Japan; and Zurich, Switzerland.

Rotary’s president presides over the RI Board of Directors and is elected to a one-year term.

The Board of Directors establishes Rotary International’s policies and provides guidance that helps our clubs thrive. Rotary clubs elect directors every year at Rotary’s international convention, and each director serves for two years.

The Board of Trustees manages the business of The Rotary Foundation, the charitable arm of our organization. The RI president-elect nominates trustees, and the Board of Directors elects them to four-year terms.

OUR HISTORY

We’ve been making history and bringing our world closer together for over 100 years. The first Rotary club was started in Chicago, Illinois, USA, in 1905 by an attorney named Paul Harris. Harris wanted to bring together a group of professionals with different backgrounds and skills as a way to exchange ideas and form meaningful acquaintances. In August 1910, the 16 Rotary clubs then in the United States formed the National Association of Rotary Clubs, now Rotary International. In 1912, Rotary expanded to a few more countries, and less than a decade later, Rotary clubs had been established in Africa, Asia, Central America, Europe, Oceania, and South America. Rotaract began as a Rotary youth program in 1968. In 2019, Rotaract clubs were elevated from a program to a distinct membership type. Today, there are more than 36,000 Rotary clubs and 10,000 Rotaract clubs, and they are in almost every country in the world. For more information about Rotary’s history, go to rotary.org/history.

The first four Rotarians: Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.
Rotary was founded on principles that remain at the heart of the organization today. These principles reflect our core values — integrity, diversity, service, leadership, and fellowship, or friendship. Our core values emerge as themes in our guiding principles.

**AVENUES OF SERVICE**

We channel our commitment to service through five Avenues of Service, which are the foundation of club activity:

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on all members to work with integrity and contribute their expertise to the problems and needs of society.
- **Community Service** encourages every member to find ways to improve the quality of life of people in their communities and to serve the public interest.
- **International Service** exemplifies our global reach in promoting peace and understanding. We support this avenue by sponsoring or volunteering on international projects, using local member expertise to build long-term partnerships for sustainable projects, seeking service partners abroad, and more.
- **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Interact, Rotary Youth Leadership Awards, Rotary Youth Exchange, and New Generations Service Exchange.

**AREAS OF FOCUS**

The causes we target to maximize our impact are called our areas of focus. Our most successful and sustainable projects and activities fall within these areas. Through global grants and other resources, we help clubs focus their service efforts on:

- Peacebuilding and conflict prevention
- Disease prevention and treatment
- Water, sanitation, and hygiene
- Maternal and child health
- Basic education and literacy
- Community economic development
- Environment

Projects that focus on these causes are eligible for global grant funding from The Rotary Foundation.
OBJECT OF ROTARY

In Rotary’s first decade, members set out guiding principles that evolved into what is now known as the Object of Rotary. They added the advancement of peace in 1921 and made the language more gender-neutral in 1989 and 1995.

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian’s personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Although your club may not emphasize all of these principles, understanding them puts your club experience into perspective and adds meaning to being a part of this organization.

THE FOUR-WAY TEST

From the beginning, members have emphasized the importance of acting responsibly and ethically and using our professions as an opportunity to serve. Honoring our commitments, however bold they are, is an ideal characteristic of a Rotary member. In 1932, The Four-Way Test was developed by Herbert Taylor, a Rotary Club of Chicago member and 1954-55 RI president, to guide his attempt to save a faltering aluminum company. Rotary later adopted it, and it underscores Rotary’s value of integrity. The Four-Way Test has long served as an ethical guide for members to live by in their personal and professional relationships.

**OF THE THINGS WE THINK, SAY OR DO:**

1. **Is it the TRUTH?**

2. **Is it FAIR to all concerned?**

3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**

4. **Will it be BENEFICIAL to all concerned?**
DIVERSITY
As an international organization, Rotary values its diversity around the world and within each club. One of our top priorities is growing and diversifying our membership to make sure it reflects the communities we serve and is inclusive of all cultures, experiences, and identities. To help meet that goal, we adopted a diversity, equity, and inclusion (DEI) statement:

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.

Clubs are encouraged to reflect the diversity of their communities by including members from a mix of professions, genders, ages, and ethnicities. Having members with different backgrounds and viewpoints gives your club a broader understanding of the community and its problems and better equips it to find solutions. Equally important is fostering a culture of inclusion in which these differences are respected, supported, and valued. Visit rotary.org/dei to learn more.
Rotary International is administered by the Secretariat, which comprises more than 800 employees. Rotary’s world headquarters is in Evanston, Illinois, USA, in a building called One Rotary Center. It has a 190-seat auditorium, Rotary’s archives, and an executive suite with conference rooms for the RI Board of Directors and Rotary Foundation Trustees and the offices of the RI president and other senior officers. It also features a replica of Room 711, the site of the first Rotary club meeting.

Rotary’s staff supports members, clubs, districts, and program participants and alumni and works to make Rotary International and The Rotary Foundation run smoothly and effectively. The staff at the international offices are a part of the Secretariat and support members in their regions.

Club and District Support (CDS) representatives provide regionalized expertise to the clubs and districts they work with and guidance on Rotary’s policies, procedures, resources, and tools. They often attend club and district meetings to meet with and train local Rotary leaders. Find your club’s CDS representative at rotary.org/cds. You can also contact Rotary’s Support Center at +1-847-866-3000 or rotarysupportcenter@rotary.org to ask questions about Rotary and its programs.

THE ROTARY FOUNDATION

In 1917, Rotary President Arch Klumph announced his idea for an endowment fund dedicated to “doing good in the world.” With this short statement, Klumph inspired the establishment of The Rotary Foundation. Today, The Rotary Foundation helps clubs and districts work together to perform meaningful, sustainable service. Our top-rated, award-winning Foundation has spent more than $4 billion on life-changing, sustainable projects that help people in need around the world get clean water, medical care, literacy classes, and other essentials.

Our members’ and others’ contributions to the Foundation allow us to bring sustainable change to communities in need. Ask your club’s Rotary Foundation expert or visit rotary.org/donate to learn how you can support our Foundation. To learn more, download The Rotary Foundation Reference Guide or take the Rotary Foundation Basics course in Rotary’s Learning Center.

ERADICATING POLIO WORLDWIDE

One benefit of membership is that you can take pride in being part of an organization that truly makes a difference in the world. Since 1985, Rotary members have served as community-based mobilizers for polio eradication, motivating international groups, governments, private organizations, communities, and individuals to join the global effort to rid the world of polio. Rotary works with partners in the Global Polio Eradication Initiative (GPEI), including the World Health Organization (WHO), the U.S. Centers for Disease Control and Prevention (CDC), United Nations Children’s Fund (UNICEF), the Bill & Melinda Gates Foundation, Gavi, the Vaccine Alliance, and the governments of the world to achieve this historic public health goal.

As part of the effort, members contribute their time and money to the cause, raising funds, advocating for government support, helping immunize children, and raising awareness in their communities. By the time the world is certified polio-free, Rotary’s contributions to the global eradication effort will exceed $2.7 billion, including matching funds from the Gates Foundation. Hundreds of thousands of volunteers have supported National Immunization Days. Since 1988, nearly 3 billion children have received oral polio vaccine, and we’ve achieved a 99.9% reduction in polio cases. It may be considered the greatest humanitarian service the world has ever seen, and every Rotary member can take pride in this achievement.

To learn how you can support Rotary’s efforts to eradicate polio, visit endpolio.org.

DID YOU KNOW?

Rotary International began its fight against polio in 1979 with a multiyear immunization project in the Philippines.

ROTARY PEACE CENTERS

Each year, up to 130 peace and development leaders are selected as Rotary Peace Fellows. They earn either a master’s degree or a professional development certificate in peace and conflict studies at one of the Rotary Peace Centers at leading universities around the world.

Through academic training, hands-on projects, and global networking opportunities, the Rotary Peace Centers program develops the capacity of peace and development professionals to be effective catalysts for peace.

Rotary districts may nominate as many candidates as they wish for the competitive selection process every year. Rotary Peace Fellows go on to serve as leaders in government, nongovernmental organizations, education, the military, law enforcement, humanitarian action, and international agencies such as the United Nations.

ROTARY GRANTS

The Rotary Foundation offers grants that support humanitarian projects, scholarships, and vocational training teams. Global grants fund large international projects that have long-term, sustainable outcomes and are aligned with Rotary’s areas of focus. District grants fund smaller-scale, short-term projects that address immediate needs locally or abroad. Disaster response grants support relief and recovery efforts in areas that have been affected by a natural disaster. To learn more, talk to your club or district Rotary Foundation chair or visit rotary.org/grants.
PROGRAMS OF SCALE
Programs of Scale grants build on the scope, impact, and sustainability of successful Rotary service projects in our areas of focus. They empower Rotary members to work with experienced partners to implement large-scale, high-impact programs that address a critical need for large numbers of people across a significant geographic area. The Rotary Foundation awards one $2 million Programs of Scale grant each year to expand a member-led program over three to five years to create lasting change. Strong monitoring and evaluation systems measure impact, and the knowledge that is gained is shared with other clubs and districts to strengthen their local and international service. Visit rotary.org/programsofscale.

ROTARY’S IMAGE
A positive public image of Rotary enhances our ability to do good in the world. As a member, you represent Rotary through your words and actions, and joining a Rotary or Rotaract club means committing to live by Rotary’s values. Each of us also has the ability to improve the public’s understanding of Rotary by telling the Rotary story and why we’re proud to be a part of it. By telling our stories, we make sure Rotary is recognized for the important work we do. Rotary members can talk to their club leaders to learn how to propose new members to your club.

INTERNATIONAL EXPERIENCES

Another benefit of being a member is the opportunity to have international experiences and connections. Whether you host a Rotary Youth Exchange student, attend an international Rotary meeting, or partner with a club in another country on a project, Rotary offers many ways to connect with people from around the world.

THE ROTARY INTERNATIONAL CONVENTION

The Rotary International Convention takes place each May or June and welcomes all members, their families, and program participants and alumni. It’s held in a different city each year and is attended by 20,000 to 40,000 people. At the convention, we celebrate Rotary, network, and connect with members from around the world.

DID YOU KNOW?
The first Rotary Convention was held in Chicago, Illinois, USA, in August 1910.

ROTARY FELLOWSHIPS AND ROTARY ACTION GROUPS

Members’ skills, passions, and identities are as diverse as they are. Two types of international groups offer Rotarians, Rotaractors, and the entire family of Rotary ways to build community globally while pursuing interests they have in common with others worldwide. Rotary Fellowships center around professional or recreational interests and Rotary Action Groups focus on service in specific areas.

Rotary Fellowships represent an abundance of recreational pursuits, including cycling, fishing, skiing, golf, and beekeeping, and professional interests such as public health, graphic design, leadership development, law enforcement, and photography. They also help build community around shared identities, such as Latin Culture, LGBT+, and Argentine Culture. Their activities are as varied as their interests. Learn more at rotary.org/fellowships.

Rotary Action Groups help Rotary and Rotaract clubs and districts plan and implement large-scale humanitarian projects in their area of expertise. For example, the Water, Sanitation, and Hygiene Rotary Action Group functions as an expert consulting entity that advises clubs and districts on how to undertake water and sanitation
projects that have real impact. The Rotary Action Group for Family Health and AIDS Prevention mobilizes members to help tens of thousands of people in under-resourced communities get low-cost, comprehensive health services and screenings. Learn more at rotary.org/actiongroups.

THE CADRE OF TECHNICAL ADVISERS
The Rotary Foundation Cadre of Technical Advisers is a group of Rotarians who volunteer their professional skills and technical expertise in our areas of focus and financial management of grants. The Cadre’s mission is to strengthen the impact of Rotary’s grants by assisting members in planning projects and safeguarding Foundation funds. Learn more at rotary.org/cadre-technical-advisers.

ROTARY FRIENDSHIP EXCHANGE
Rotary Friendship Exchange gives participants opportunities to explore new cultures and discover diverse perspectives. Participating in an exchange is a wonderful way to make new friends, establish international service partnerships, and strengthen intercultural understanding. Nonmembers are welcome to participate in the program as well as members.

DID YOU KNOW?
You can experience new Rotary cultures by visiting other clubs. Use the Find a club tool in the Search button on My Rotary, download the Club Locator app, or look on clubs’ websites to find their meeting details and contact information.

ROTARY COMMUNITY CORPS
A Rotary Community Corps (RCC) is a Rotary club-sponsored group of nonmembers who want to help their own community through service projects. Rotarians provide professional expertise, guidance, encouragement, organizational structure, and some material assistance to the RCC, whose members contribute their labor and knowledge of community needs. This community-based service program was initiated in 1986 to improve the quality of life in villages, neighborhoods, and other communities.
PROGRAMS FOR YOUNG LEADERS

We believe in investing in our future by empowering young leaders, helping them learn leadership skills, and giving them opportunities to have cross-cultural experiences.

INTERACT
Interact clubs give young people 12-18 years old the chance to work together and have fun while learning about service and promoting international understanding. Each club is required to complete at least two major projects each year, one to serve the community and the other to promote international understanding. Interact clubs are sponsored by nearby Rotary clubs and may be co-sponsored by Rotaract clubs. Ask your club leaders how you can get involved if you’d like to work with an Interact club.

ROTARY YOUTH EXCHANGE
Rotary Youth Exchange promotes international understanding and lifelong friendships by letting young people explore another culture. Exchanges can be long-term or short-term. Short-term exchanges last from a few days to several months and often take place when school is not in session. Students typically stay with a local family in the host country, but they might also attend a youth camp or tour the country with other foreign students. During a long-term exchange, students spend a year in another country, attending school and living with host families. Exchanges vary widely among districts, so contact your district’s Rotary Youth Exchange chair to learn what’s available in your area.

ROTARY YOUTH LEADERSHIP AWARDS (RYLA)
Each year, thousands of young people are selected to attend club-, district-, or multidistrict-sponsored leadership camps or seminars through Rotary Youth Leadership Awards (RYLA). In an informal atmosphere, participants spend several days in a challenging program of leadership training, facilitated discussions, inspirational addresses, and social activities designed to enhance their personal development, leadership skills, and good citizenship. Each RYLA program or event is customized to the participants’ age range.

RYLA events instill values of service and leadership.
TRAINING AND SKILL BUILDING

Your club may offer new members a formal orientation to acquaint them with Rotary and the club. Members can also take courses on topics that interest them in the Learning Center (rotary.org/learn) or join Rotary discussion groups to exchange ideas with other members. Your club may offer leadership training as well. Talk to your club mentor or club leaders and find out how you can get involved.

Your district runs the district vibrant club workshop and grant management seminar for all interested members. All districts also hold annual district conferences to celebrate the year’s accomplishments. Club members and their families are invited to attend and enjoy the inspirational speeches and entertainment and the acquaintances they make. These training meetings and events are great ways to meet people who share an interest in service and the community.

Districts also hold role-based training events for Rotary club presidents, secretaries, treasurers, and committee chairs and for members who serve as assistant governors and district committee

NEW GENERATIONS SERVICE EXCHANGE
University students and other young adults ages 18-30 can enjoy short-term exchanges. These offer participants a chance to develop their skills, learn a new language, and take action through humanitarian or vocational service. Some exchanges include vocational mentorship, unpaid internships, team volunteering, or study groups. Each experience is unique, and the participants and districts coordinate travel, activities, and accommodations.

Youth protection and risk management

The safety of young people is a top priority for any Rotary-related activity. All members and volunteers who work with youth should attend a youth protection training seminar. Find our Statement of Conduct for Working With Youth and more information on student safety and risk management in the Rotary Youth Protection Guide (PDF). Take the online course Protecting Youth Program Participants in the Learning Center.
chairs. When you get involved as a speaker or trainer, you’ll learn skills, like project management, public speaking, and event planning, that can also help you in your personal and professional life.

**WHAT’S NEXT?**

The key to getting the most out of your Rotary or Rotaract membership is to get involved in ways that suit your interests. The time and energy you invest will yield rich rewards. You can shape your club by talking with club leaders about your ideas, and as a member, you, too, are eligible to be a club leader. Over time, active members find that the connections they make through Rotary and Rotaract become lifelong friendships.

To see how you can get involved, go to appendix A: Optimize Your Member Experience. You can also check out our publication *Connect for Good*, which gives an overview of opportunities to be an engaged member of our organization.
