

Thank you for your interest in supporting humanitarian response efforts in Ukraine.

Rotary leaders in Ukraine and bordering countries have identified primary points of contact on various humanitarian response efforts. Most countries are also collecting in-kind donations and financial contributions to support club and district-led local response efforts. Contact information for Rotary leadership coordinating response efforts in Ukraine and in neighboring countries is included below.

Many clubs and districts around the world have also organized local relief efforts to support impacted communities. As Rotary International receives information about locally-led efforts collecting assistance, that information will be compiled and added below. To learn more about getting in touch with Rotary members in Eastern Europe and how to support local response efforts *please see the information below.*

For information about supporting humanitarian efforts through The Rotary Foundation, [click here](#) or contact Rotary’s Support Center at +1 866-976-8279 (toll free) or [RotarySupportCenter@rotary.org](mailto:RotarySupportCenter@rotary.org)

*Please note: Rotary International and The Rotary Foundation is not responsible and cannot oversee payments made directly to non-TRF accounts.*
