

RESOLUTION 23R-13

To request the RI Board to consider organizing a day to train the public on providing first aid

Proposer(s): District 1660, France

- 1 WHEREAS, disease prevention and treatment is one of Rotary's areas of focus,
2 and
3
4 WHEREAS, emergency response preparedness is one of the primary links in the
5 chain of emergency care
6
7 IT IS RESOLVED by Rotary International that the Board of Directors of Rotary
8 International consider organizing a day to train the public on providing first aid
9 by encouraging clubs to partner with local health institutions for this purpose.

PURPOSE AND EFFECT

- 10 The purpose of this proposal is to train children and adults in proper emergency response
11 procedures, which may include, but are not limited to, the provision of first aid in cases of
12 fainting or physical injury due to accidents.
13
14 This event would not only underscore Rotary's commitment to the improvement
15 of public health but also contribute to the promotion and improvement of RI's
16 brand and projects.

FINANCIAL IMPACT

- 17 If implemented, this resolution would have a financial impact on RI which cannot
18 be determined at this time. Cost would be dependent on the scope and extent of
19 support provided by the RI Board to accomplish this goal.
