6
7 WHEREAS, Rotary's regions have an increasingly important role to play in
8 membership development, the implementation of its diversity, equity, and

22
23 IT IS RESOLVED by Rotary International that the Board of Directors of Rotary
24 International consider adopting the following points as a basis for the further
25 development of the organization in general, and the project "Shaping Rotary's
26 Future" in particular:

- 27
- 28 1. The proven institution of the governors will be maintained and their scope
29 of work optimized from the point of view of effectiveness.
 - 30
 - 31 2. The role and importance of the regions in Rotary will be strengthened
32 through the creation of new organizational units or the recognition of
33 those that already exist informally. The support for districts and clubs will
34 be optimized to address regional needs.

- 1 3. The professional support for and administrative relief of the districts will
2 be optimized by promoting regional structures and offices.
- 3
- 4 4. RI and The Rotary Foundation will optimize their support by
5 strengthening the resources and competencies of the regional offices.
- 6
- 7 5. Rotary.org will be redesigned to make information more easily accessible
8 and to simplify administration at all levels.
