

Nous vous remercions de l'intérêt que vous portez au soutien des efforts humanitaires en Ukraine.

Des dirigeants du Rotary en Ukraine et dans les pays limitrophes ont identifié les principaux contacts pour les différentes interventions humanitaires. La plupart des pays collectent également des dons en nature et des contributions financières pour soutenir les efforts locaux réalisés par les clubs et les districts. Vous trouverez ci-dessous les coordonnées des dirigeants du Rotary qui coordonnent les efforts d'intervention en Ukraine et dans les pays voisins.

De nombreux clubs et districts organisent également des opérations de secours locales pour soutenir les communautés touchées. À mesure que le Rotary International reçoit des informations sur ces efforts, celles-ci seront compilées et ajoutées ci-dessous. Pour en savoir plus sur comment contacter les membres du Rotary en Europe de l'Est et sur la façon de soutenir les efforts d'intervention locaux, *veuillez consulter les informations ci-dessous.*
